Cooking Exchange Dinner

The annual Cooking Exchange dinner will be held on Thursday, June 10, at the Brookhaven Center. Attendance will be by invitation only to all those who actively participated in the Cooking Exchange during the past year. If by any chance you should have received an invitation but did not, please consider this an oversight. Your cooperation is requested in calling Josette Auerbach (286-3742) immediately to let her know what dish you will bring to the dinner.

Diamond News

by Dean Easler

Reporting of softball news was much improved last week with only one result not received. In the Brookhaven League the Old Timers who had a bye in the first week of the season won their first game of the season defeating the Dirty Sox by a score of 11-7. The scoring was tight until the 6th, when the Old Timers scored 3 runs to clinch the win. For AMD, it was a 10-9 victory over the Blue Jays in another close one. George Oldham homered for the Blue Jays.

Moving to the National League the boys from S & M after scoring 25 runs last week made it two wins in a row winning 22-12 over the Bubble Boys. The score was tied going into the 7th inning when S & M erupted for 10 runs including a grand slammer by Lou Di Carlo. Other S & M homers were slammed out by Ron Mulderic and George Leverock. In their first two games S & M has scored 47 runs on 60 hits and that's not a bad way to start things off. After winning their first game 6-4 over the Pop-Ups, the Six Pax crew defeated Chemistry 9-3 last week to post a 2-0 record. Good defense by the Six Pax has limited the opposition to 7 runs in two games. No report was received on the game between the Deadwoods and the Pop-Ups.

In the Laboratory League the Survivors won over the Converts by a 16-12 score with a home run by Paul Valli and Frank Thornhill (who says he is slowing down) scoring four times. Gary Jane was five for five in that game also. Rounding out the action in the Laboratory League, the Bio-Meds with home runs from Bores, Weldon, Myers, and Emanovsky turned the trick on the Charlie Browns with a 7-4 win. Reports have it that the Carlie Browns still wonder how they can ever lose when they are so sincere.

Mixed Softball

C. Falkenbach

Field #4 was the place to be again. The day was gloomy, windy and cold but that didn't hold the mixed league back. All four teams were out there ready to go and they did just that.

The Gotcha's won their second game, defeating the Mixed-Ups 16-8. The Mixed-Ups had the Gotcha's going for a while in the last inning when they scored five of their 8 runs. Let's see some more of that kind of action at the next game.

The Saints took their second win by defeating Chemistry 6-3. It was a close game but thanks to Vernon Faine's 3 run home run the Saints came out in front.

I'd like to say that the enthusiasm and the sportsmanship of these teams has been great and we should have a very good season.

Soccer

K. Batchelor

BNL 0 vs. Patchogue 2

On Saturday, May 22nd, BNL entertained Patchogue in a soccer game at Brookhaven and once again lost the game in the last quarter of the game. In the first half, play was very even with both sides coming near to scoring but with the defenses managing to thwart all of the scoring efforts. In the first quarter, Keane came close to scoring with a fine header from a cross by Cox. Shortly after this, Cox hit the bar and Batchelor headed the ball just over the bar from the rebound. At the other end, Cantera in the BNL goal, made a fine save from a Patchogue forward. Thus, with defenses on top and with Brunner of Patchogue and Crow of BNL playing strongly, the first half ended with no score.

At the start of the second half, BNL attacked strongly and only fine displays by the centre half and goal keeper managed to keep BNL from scoring. Then Cantera misjudged a through ball for Patchogue and Theman headed into the empty net for a goal. Five minutes later, DeBruyn scored another goal for Patchogue with a fine shot from the edge of the goal area following a corner kick. BNL continued to play well and shortly before the final whistle, Aggus put in a fine shot which the Patchogue goal keeper just managed to push over the cross bar.

Practice games will resume on Monday, June 7th, after the holiday weekend. The summer Interdepartmental Competition will start in a few weeks so anyone interested in playing should contact either Ken Batchelor (7821), Ralph Fairchild (7193), Dave Cox (7602), John McCafferty or Dick Pfister (7105-AGS page).
